S I R :

Submitted herewith are replacement sheets of formal drawings, three sheets, Figures 1-3, which should replace the corresponding sheets presently on file. The new sheets of formal drawings overcome the objections set forth in the Form PTO-948 attached to Paper No. 5.

It is pointed out that new formal drawings were filed in the Patent Office on November 30, 1998, as evidenced by the attached photocopy of the return receipt postcard. However, in order to avoid difficulties, a duplicate set of formal drawings is submitted herewith. Approval and entry is respectfully requested.

Respectfully submitted,
